

Earth Day 2017... Seagate Sustainability Competition

Seagate wants your team's idea to make our everyday lives more sustainable

CREATIVE
TEAMWORK

Pitch your sustainability idea in a 2 minute video (or less)

Not only could your sustainability idea make a real impact, your team could be awarded funding for FIRST® National team registration

What is Sustainability?

Sustainability meets the needs of the present, without compromising the ability of future generations to meet their own needs.

In celebration of Earth Day, Seagate wants to continue advancing its environmental sustainability practices to make an impact every day of the year. We are looking for new ideas from your team.

Seagate Sustainability Competition

Submissions:

- Submissions are to be a video format (such as .mpg, avi, etc.)
- Length of video submission should not exceed 2 minutes
- Email video submissions to robotics.mn@seagate.com (25MB file size limit)
- For your pitch to Seagate, be creative!
- Email the following information with the video submission: team name, team number, and contact info
- If any copy written music is used, permission must be granted by the author

Two \$225 Grants to FLL teams and two \$275 grants to FTC teams will be awarded to cover FIRST® National team registration.

Grants will be awarded based on the following selection criteria:

- Innovation
- Creative presentation
- Ability to implement idea
- Number of people impacted by the sustainability idea
- A check will be given by HTK to the winning team after the teams have nationally registered

Conditions of Grant:

- By participating, Seagate is authorized to present videos to Seagate employees
- Grants must be used for the competition season

Timeline:

- Email submission are due by April 7, 2017
